

## **University of Mustafa Ben Boulaid Batna 2**

### **English exam**

#### **2<sup>nd</sup> year GRESC**

#### **FIRST SECTION:**

Translate the following passage into Arabic language with keeping the same meaning

#### **You Will Enjoy the View from the Top**

Do you agree with me if I tell you; you really miss a lot!

Here you are, it is the high time to fix on you the spot.

You are more than a girl or a boy.

You are more than someone else's toy.

Be the abnormal and discover the real meaning of the verb to enjoy.

Work hard and draw your goals in front of you not in the back.

If you keep hanging out with failures you will live the rest of your life in your dreams stuck.

It is not about hope, wishes, and luck.

It is about believing, good planning, hardworking, and facing roughs as a rock.

Don't miss the moment of being widely known.

Your perfection is the only thing that is going to be shown.

#### **Second Section:**

Write a short paragraph in which you describe the earth's layers.
